YETI MISSION :

SECRET AGENT

SYAT 94526 : INVITATION

Dear Trainee Agent,

You have been invited by Yeti Head Quarters to take part in our

SECRET YETI AGENT CHALLENGE.

A new clan of yetis have been resettled into a hidden forest near you and only the most suitable

SECRET YETI AGENTS

can be chosen to keep them safe and hidden from unsuspecting passers-by and (most importantly) from nasty, sneaky, yeti hunters!

We are looking for agents with grit and determination who keep trying even when things are tricky and who are able to use their imaginations to come up with great ideas.

Should you decide to accept our invitation, we will send you new Agent Challenges every month. We're not looking for agents who always get everything right, we're looking for trainees who help others and try their hardest.

GOOD LUCK !

Maya Yeti
