YETI MISSION :

SECRET AGENT

SYAT 94526 : INVITATION

Dear Human People,

You have been invited by YETI HQ to take part in our

SECRET YETI AGENT CHALLENGE.

A new clan of yetis have been resettled in a secret location near you, and only the most suitable

SECRET YETI AGENTS

can be chosen to keep them safe and hidden from unsuspecting dog walkers and (most importantly) from nefarious yeti hunters!

We are looking for agents with grit and determination who keep trying even when things become tricky, who work as a team and who are able to use their imaginations to come up with creative ideas and solutions.

Should you decide to accept our invitation, we will send you a series of training challenges to test your brain, Ninja stealth and other secret agent-type skills.

GOOD LUCK !

Maya Yeti
