

# SECRET YETI AGENT CHALLENGE SIXTEEN QUICK CHANGE MINGLE

Can your pack listen to instructions for a quick change?  
Move around the hall singing the **MINGLE SONG**.

Choose your favourite tune  
and swap the words out for

**MINGLE**

Mingle ... mingle ... mingle ... mingle

Listen for your leader shouting out a random number, then find the  
right number of other players to make up a group of that number.

If you can't find a group, keep joining in with the **MINGLE SONG**  
and sit at the side, until the last two players win the game.

Make the **MINGLE SONG**  
more interesting by changing  
the accent you sing it in each  
time, or change for one of  
the characters in  
**AWESOME ACCENTS**.
