

**SECRET YETI AGENT
CHALLENGE SEVENTEEN
THE DEADLY LAVA
BUBBLES OF DOOM**

Can you make it across the
DEADLY LAVA BUBBLES OF DOOM?

- Tape two long parallel lines in masking tape on the floor with at least two metres space between.
- Arm your leaders with bubble wands and line them up on each side behind the masking tape, ready to blow.
- Ask your pack to take it in turn trying to make it from one side to the other of the marked out area without being touched by bubbles.
