

# SECRET YETI AGENT CHALLENGE FIFTEEN

## BARON VON-STINKS- A-LOT'S NOSE

Excellent work Secret Yeti Agents, your information helped us to create a picture of

## Baron Von Stinks-A-Lot.

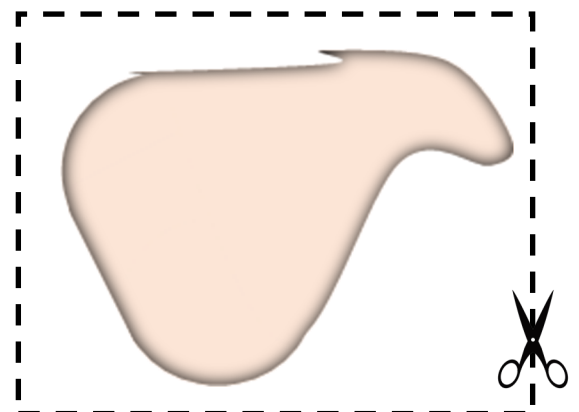

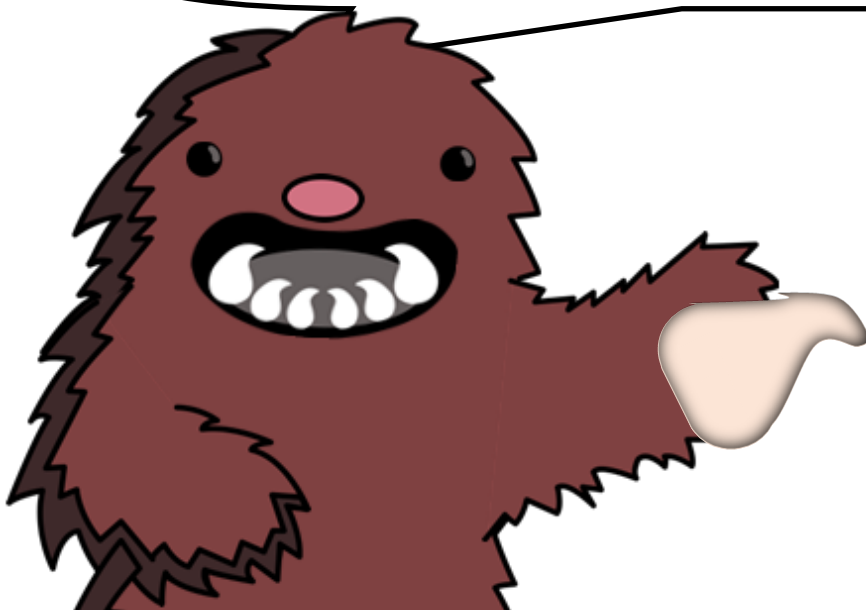

We have now been able to locate this sneaky yeti hunter and are tracking his movements.

Finish our warning poster by cutting out his nose and sticking it onto his face.

The yetis at HQ have been playing at adding his nose blindfolded why don't you print out this poster, cut round his nose and have a go too?

Use Blue-tack to play, and try spinning 3 times first if you find it too easy!
