

THE LONG WALK

A CHOOSE YOUR MINDSET
ADVENTURE STORY

Deep in the deepest forest on a cloud covered mountain in Nepal there sat a nervous, hairy creature waiting for his moment.

This creature, and Idaho was his name, had reached one of the most important times in the life of a yeti ... his turn had come for

THE LONG WALK

Most people think that yetis are big, dangerous creatures (or that they're made up entirely) but really, they're a type of rock-bear who take learning to protect their clan very seriously.
