

## BOOK OF LEARNING

Learning is your ticket to explore the world and be the person you aspire to be.

Despite what you might think or hear, you're the only one who can decide to take advantage of what an education can offer to you.

## GROWTH MINDSET POWER-UP

- Working on your Growth Mindset helps you to focus on cause and effect. **EFFORT = ENERGY** to plug into your future.
- The more you persevere to learn and understand, the better the outcome will be when it matters. It's never too late to decide to put in the effort and determination needed to get you better opportunities.
