

'OLD HAIRY' YETI HAND PUPPET

1. Print out this sheet onto paper or card.

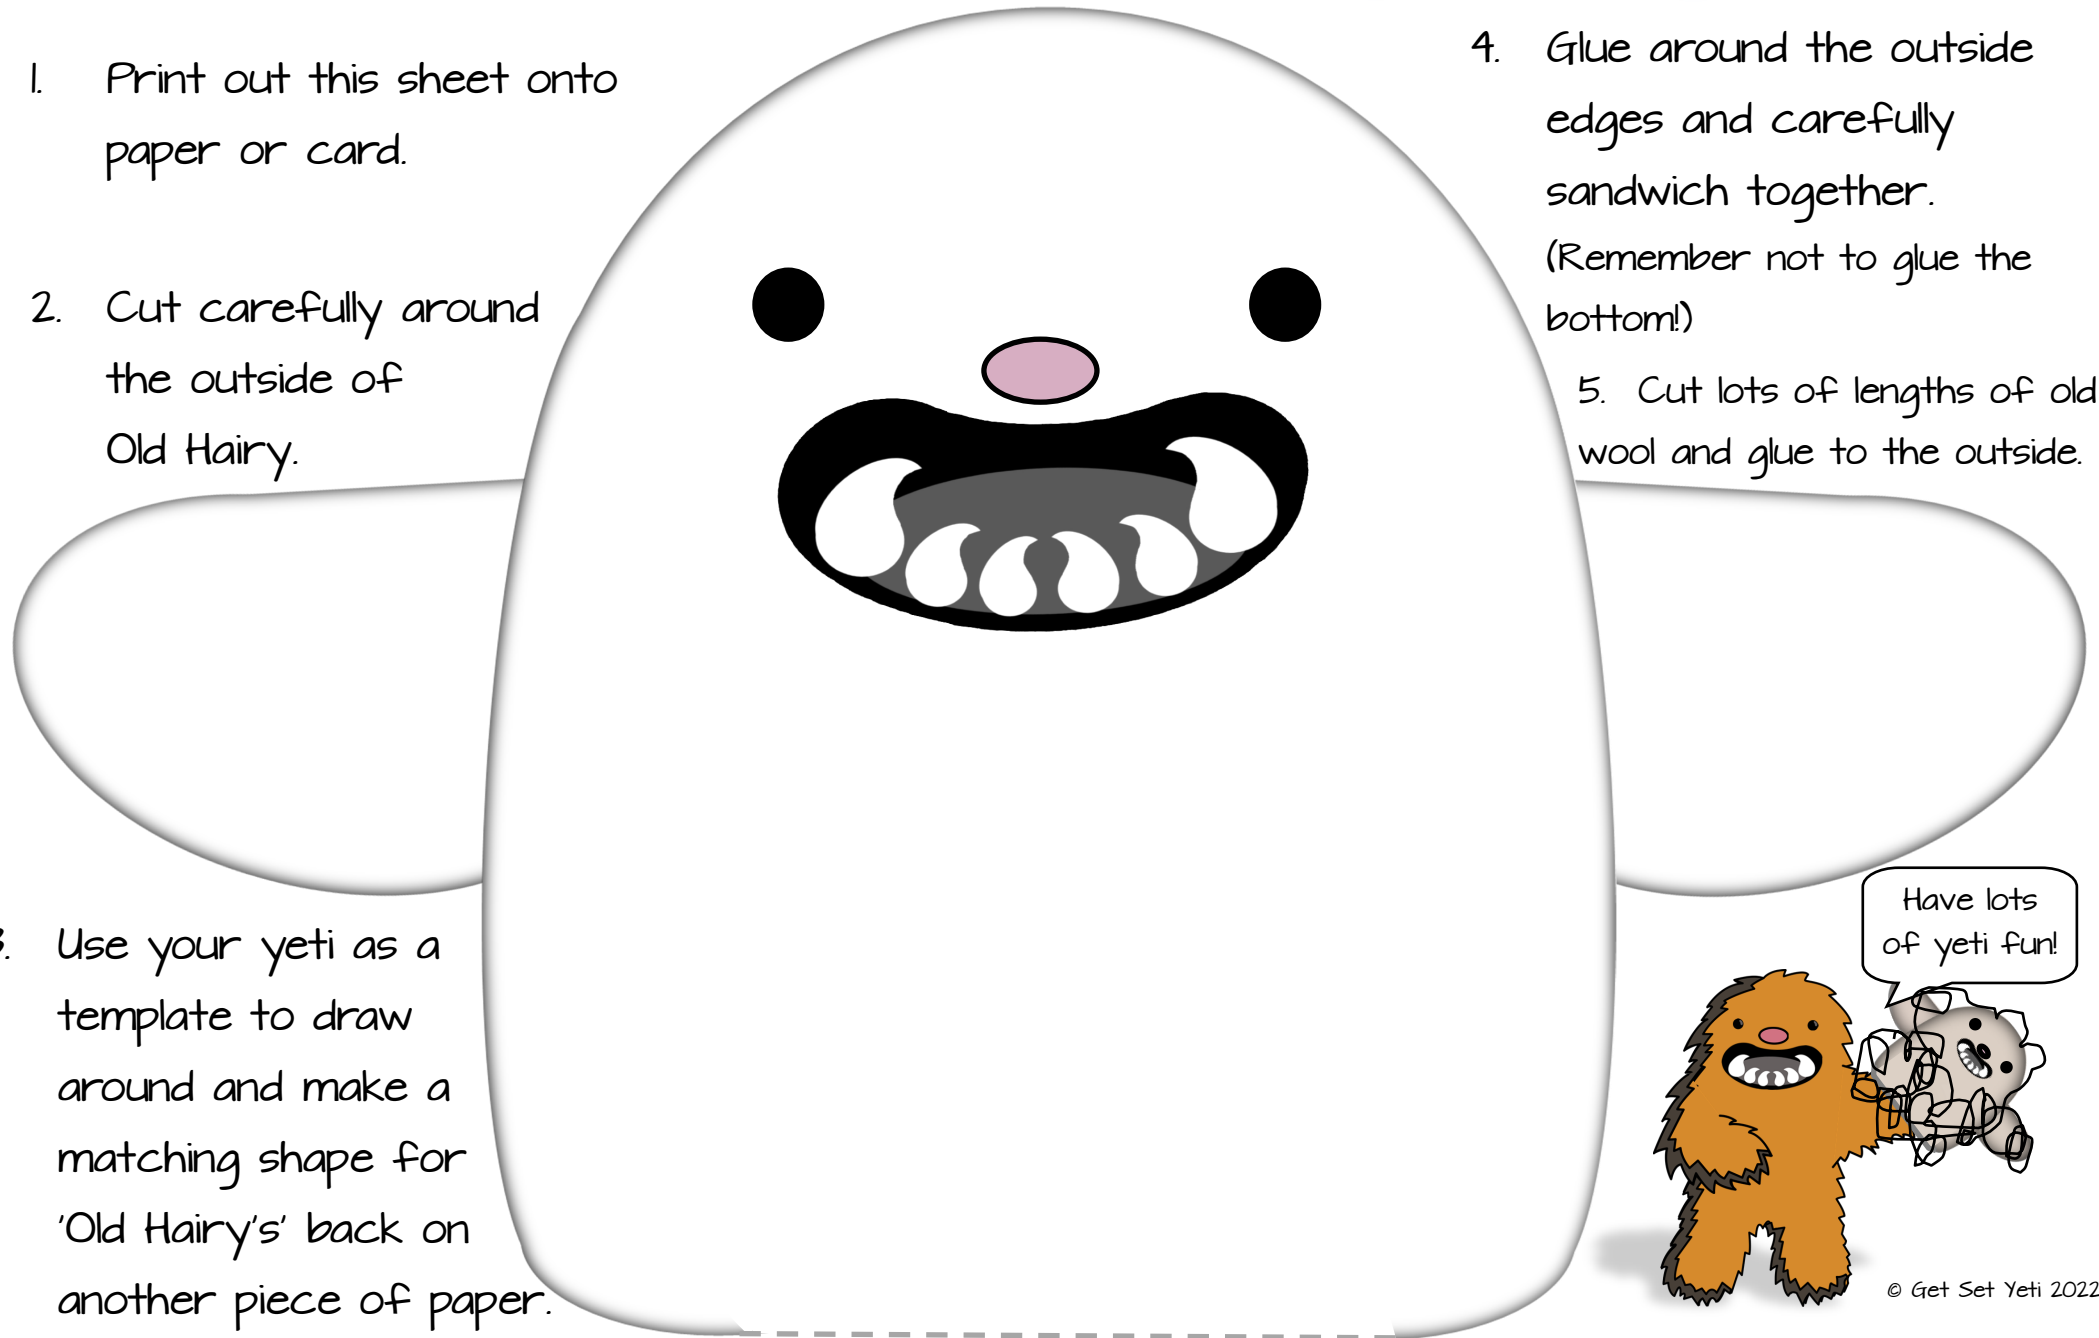

2. Cut carefully around the outside of Old Hairy.

3. Use your yeti as a template to draw around and make a matching shape for 'Old Hairy's' back on another piece of paper.

4. Glue around the outside edges and carefully sandwich together.

(Remember not to glue the bottom!)

5. Cut lots of lengths of old wool and glue to the outside.

Leave this part of bottom unglued to insert hand.
